Patents:
1. Identification of a protein with antibacterial activity from plant endophytes by metagenomic approach (2011) Tejesvi MV., Pere Picart and Anna Maria Pirttila. PCT, Finland.

Research Publications:
* corresponding author

**Book Chapter**

*Corresponding author

**Papers Presented at National Symposia/ Conference**

8. Tejesvi, M. V. Genetic diversity, Antioxidant and Antibacterial activity of endophytic Pestalotiopsis species from Medicinal plants. Presented at Young Scientists’ Award

11. Participated and presented papers in the poster session on “Endophytic mycoflora of Crataeva magna (Lour.) DC bark” & “Endophytic fungi from Terminalia arjuna (W. & A.) and Holarrhena antidysenterica (Wall ex. DC)” in the 2004 - National Seminar on Emerging trends in Applied Botany, Seed Science and Technology, sponsored by University Grants Commission, New Delhi, during 4-6 August, 2004 organized by the Dept. of Studies in Applied Botany, Seed Pathology and Biotechnology, University of Mysore.

12. Participated in Symposium on “Protein in Biology” held at AVRC hall, Manasagangotri, University of Mysore, Mysore, India. 15.11.99 – 16.11.99.

13. Participated in Symposium on “Plant growth promoting Rhizobacteria’ held at D.O.S in applied Botany, seed technology and Biotechnology in March 2000 (Mysore)

Workshops / Training Attended

1. Laboratory Management Courses for Postdoc’s organised by European Molecular Biology laboratory (EMBO), held at Fanhams Hall Hotel, Ware Hertforshire, United Kingdom from 11th - 13th October 2011.

3. World Practical Course on “DNA Microarray analysis and its application” organized and sponsored by European Molecular Biology laboratory (EMBO), 16 - 20 August, 2009 at Centre for Marine Science and Technology (CMST), Manonmaniam Sundaranar University (Marina Campus) – Rajakamangalam, Kanyakumari District, Tamilnadu, INDIA.

4. Ion channel workshop 2007, 9th -14th Sept. 2007, Sponsored by EMBNTrain, EMeP-Lab and MPSI at Institute for Membranes and Systems Biology and the Astbury Centre, University of Leeds, Leeds, UK

6. How to protect and promote traditional products handicrafts, natural agricultural and industrial goods. 31st March, 2007 at Sri Jayachamarajendra college of engineering, Mysore, Karnataka India

7. Intellectual property and innovation management in knowledge era. 30th March, 2007 at Sri Jayachamarajendra college of engineering, Mysore, Karnataka India
8. Interactive Meet of Nobel Laureates and Research Students at Vigyan Bhavan, New Delhi on 8th Feb 2007, Sponsored by Department of Science and Technology, Government of India.

10. Personality Development, 18th February, 2006 at International Leadership Institute of M/s Infosys, Mysore, Karnataka, India.

11. Bioinformatics workshop, 14th -15th September 2005 at Central Sericultural Research and Training Institute, Mysore sponsored by Department of Biotechnology (Govt. of India).
