

8. Histological changes in liver, kidney and lungs of albino rats after intoxication of mercuric chloride (Kanhiya Mahour and Prabhu N. Saxena. Annual meeting of Swiss Society of Pharmacology and Toxicology September 27-28, 2007 Bern, Switzerland).

12. Effect on bioactivity of crude extract of *Jatropha curcus* leaves prepared from different drying methods (Kanhaiya Mahor, Ashok Kumar and V.S. Vihan, 7th Joint meeting of AFERI, ASP, GA, PSE and SIF, August 3-8 2008, Athens, Greece).

13. Relationship of phytochemical ingredient with the endoparasiticidal activity of plant extracts against *Haemonchus contortus* (Prashant Yadav, Ashok Kumar, V. S. Vihan and Kanhiya
14. Preliminary pharmacognostical investigation of different plant extracts prior to herbal formulation (Kanhiya Mahour, Ashok Kumar and V. S. Vihan, International conference on Biodiversity, Environment and Sustainability: Challenges for future, September 4-6 2008, University of Delhi, Delhi).

15. *In vitro* adulticidal activity of various plant extracts against *Boophilus microplus* (Arvind Kumar, Ashok Kumar, V. S.Vihan and Kanhiya Mahour, International conference on Biodiversity, Environment and Sustainability: Challenges for future, September 4-6 2008, University of Delhi, Delhi).

18. Evaluation of *Panax ginseng* as safe guard against raised serum electrolytes, proteins and blood glucose under stress of mercuric chloride in albino rats (Kanhiya Mahour and Prabhu N. Saxena, 45th International conference of European society of toxicology, October 5-8 2008, Greece).

20. Hepatic toxicity under mercuric chloride stress in *Rattus norvegicus* (berkenhaut) and its modulation by ginsenosides of *Panax ginseng* root (Prabhu N. Saxena and Kanhaiya Mahour, International conference on advances in free radical research, March 19-21, 2009, CSM Medical University Lucknow, India).

21. Comparative study between acute and sub-acute effects of arsenic and mercury on hepatic parameters in albino rat (Kanhiya Mahour and Prabhu N. Saxena, 7th Congress of Toxicology in Developing countries, September 6-10 2009, Sun city, South Africa).

22. Comparative hepato-renal toxicity after arsenic trioxide and mercuric chloride intoxication in *Rattus norvegicus* (Kanhiya Mahour and Prabhu N. Saxena, 46th Congress of the European Societies of Toxicology, September 13-17 2009, Dresden, Germany).

23. *In vitro* and *In vivo* modulating role of *Panax ginseng* against mercuric chloride free radicals in albino rat (Kanhiya Mahour and Prabhu N. Saxena, 5th International conference on the impact of environmental factors on health (Environmental health risk, 2009), September 21-23 2009, New forest, UK).

24. Evaluation of renal toxicity in *Rattus norvegicus* under stress of mercuric chloride and arsenic trioxide (Kanhiya Mahour and Prabhu N. Saxena, 10th Iranian Congress of Toxicology and Poisoning meeting, December 7-10, 2009, Tehran, Iran).

38. Preliminary screening of bioactivity of plant extracts by brine shrimp model (Kanhiya Mahour, Ashok Kumar, Brijesh Sharma and V. S. Vihan, National Seminar on Emerging Diseases of small ruminants and their containment under WTO regime, February 3-5 2007, Makhdoom, Mathura (U.P.).

41. Efficacy of *Annona squamosa* plant leaves extract against gastrointestinal nematode infection in goats (Kanhiya Mahour, Ashok Kumar, Deepak Dwivedi and V. S. Vihan, National Seminar on Emerging Diseases of small ruminants and their containment under WTO regime, February 3-5 2007, Makhdoom, Mathura (U.P.).

42. Effect of charcoal powder as decolourizer on active ingredients of crude plant extracts (Brijesh Sharma, Kanhiya Mahour, Ashok Kumar and V. S. Vihan, National Seminar on Emerging Diseases of small ruminants and their containment under WTO regime, February 3-5 2007, Makhdoom, Mathura (U.P.).

44. *In vitro* antioxidant studies of some indigenous medicinal plants (Kanhiya Mahour, Ashok Kumar, Brijesh Sharma and V. S. Vihan, National Seminar on Emerging Diseases of small ruminants and their containment under WTO regime, February 3-5 2007, Makhdoom, Mathura (U.P.).

46. Bio-activity assay of Panax ginseng extract against brine shrimp model (Kanhiya Mahour and Prabhu N. Saxena, Seventy-Seventh Annual Session of the National Academy of Science, December 6-8, 2007, Mysore, India).

47. Comparative evaluation of antibacterial activity of Cordia dichotoma with antibiogram (Kanhiya Mahour, Ashok Kumar and V. S. Vihan, 18th All India Congress of Zoology & SCIAZE, December 7-9, 2007, Lucknow).

48. Effect of larval digenes on the calcium contents of the shells of Indoplanorbis exustus (Arvind Kumar, Shabad Preet and Kanhiya Mahour, 18th All India Congress of Zoology & SCIAZE, December 7-9, 2007, Lucknow).

49. In vitro antioxidant activity of Dalbergia sisoo plant leaves extract with their phytochemical analysis (Kanhiya Mahour, Ashok Kumar and V. S. Vihan, National Seminar on Ailing Earth and Health Threats, December 19-20, 2007, Meerut).

55. Standardization of Jatropha curcus plant extract prepared from different age group leaves against brine shrimp (Kanhiya Mahour, Ashok Kumar and V. S. Vihan, National Seminar on the Contemporary Trends in Life Sciences, April 16-17 2008, Jabalpur).

64. Efficacy of herbal ectoparasiticides against the cattle ticks Boophilus microplus: In vitro study (Arvind Kumar, Ashok Kumar, V.S.Vihan and Kanhiya Mahour, 78th Annual session of the National Academy of Sciences, India and symposium on “Novel Approaches for Bio-medical Research” November 21-23, 2008, Chandigarh).

67. Study on resistance in tick of goats against pyrethorid compound in farm and village conditions and effect of plant extract on resistance ticks (Kanhiya Mahour, Ashok Kumar, Vinod Gupta, H.A.Tewari and V.S.Vihan, National Symposium, Mathura).

69. Study on survey of tick infestation in organized goats farm (Arvind Kumar, Ashok Kumar, V.S.Vihan, Kanhiya Mahour, XIX national Congress of Veterinary Parasitology and Symposium on National Impact of Parasite diseases on livestock health and production, February 3-5, 2009, Ludhiana (Punjab), India).

15. Kanhiya Mahour and Prabhu N. Saxena. Studies on protective and antioxidative effect of Panax ginseng on mercuric chloride induced short and long term hepatotoxicity in Rattus norvegicus (under consideration in Advances in Biological research).

**National**

31. Kanhiya Mahour, Ashok Kumar and V. S. Vihan. Phytochemical constituents and antibacterial activity of essential oil extracted from the leaves of Curcuma longa (accepted in proceeding of International conference on research advances in traditional medicine: challenges and opportunities).

35. Ashok Kumar, Kanhiya Mahour and V. S. Vihan. Free radical scavenging property of some indigenous medicinal plants by using thin layer chromatography (under consideration in Indian veterinary Journal).

37. Manish Dubey, K. Mahour, Ashok Kumar, D. Dwivedi, R. Rana and V. S. Vihan. Screening of antibacterial activity of some Indian plants with their phytochemical analysis (under consideration in Indian Journal of Microbiology).

39. Brijesh Sharma, Kanhiya Mahour, Ashok Kumar and V. S. Vihan. Standardization of charcoal powder as decolourizer against various crude plant extracts (under consideration in Veterinary Practitioner).

41. Ashok Kumar, **Kanhiya Mahour** and V. S. Vihan. Effect on physico-chemical characters and bioactivity of *Argemone maxicana* in different plant extraction methods (under consideration in *Indian veterinary Journal*).

42. Arvind Kumar, Shabad Preet and **Kanhiya Mahour**. Effect of larval digenes on the calcium contents of the shells of *Indoplanorbis exustus* (accepted in *Indian Journal of Parasitic Disease*).

43. Arvind Kumar, Ashok Kumar, V. S. Vihan and **Kanhiya Mahour**. *In vitro* acaricidal activity of various indigenous plants extracts (under consideration in *Electronic Journal of Pharmacology and Therapy*).

44. Prashant Yadav, Ashok Kumar, V. S. Vihan and **Kanhiya Mahour**. *In vitro* adulticidal screening of various plants extract against adult *Haemonchus contortus* (under consideration in *Electronic Journal of Pharmacology and Therapy*).

45. **Kanhiya Mahour**, Ashok Kumar and V.S.Vihan. Standardization of *Jatropha curcus* plant extract prepared from different age group leaves against brine shrimp (under consideration in *Indian Journal of Pharmacology*).

47. **Kanhiya Mahour** and Ashok Kumar. Preliminary pharmacognostical investigation of different plant extracts prior to herbal formulation (under consideration in *Journal of pharmacy*).
