

Conference proceedings

Papers Presented in National conferences
(underlined author is the presenting author)

1. Mala Nath*, Sulaxna; 'Some Organotin(IV) Derivatives of 2-amino-5-mercapto-1,3,4-Thiadiazole' Indian Council of Chemist: 17th-19th Oct, 2003 (at IIT Roorkee, Roorkee, India)

5. Maya S Nair, Syed Asif Hassan, Teena Johnson, Sulaxna, Ritu Barthwal* (Molecular Biophysics Laboratory, Department of Biotechnology, IIT Roorkee); ‘Anti-diabetic activity of cinnamon (cinnamomum zeylanicum) bark extracts, in alloxan induced diabetic mice’ Ist Rashtreeya Yuva Vaigyanik Sammelan symposium 29-30 Nov, 2008 (at NIT Kurukshetra)
Papers Presented in International conferences

1. M. Nath*, Sulaxna; 'Production of Semiconductors Nanometric Particles of SnO$_2$ and SnS from Organotin(IV) Triazolates as precursors'Condensed Matter and Materials Physics: to be presented 20th-21st April, 2006 (at University of Exeter, UK)

2. Maya S Nair, Syed Asif Hassan, Sulaxna, Teena Johnson and Ritu Barthwal* (Molecular Biophysics Laboratory, Department of Biotechnology, IIT Roorkee); ‘Isolation, characterization and antidiabetic studies of cinnamon (cinnamomum zeylanicum) bark’ 6th Asian Biophysical Association (ABA) Symposium held jointly with the 27th Hong Kong Society of Neuroscience Annual Meeting 11 – 15 January, 2009, Hong Kong.

3. Rajkaran, Sulaxna and Vijaya Aggarwala; Antibacterial properties of Ni-P-ZnO Nanocomposite Coatings, International Conference, NANO 2010 (10-13 Dec.2010, Thirusankode, TN)
